

Funding & next phase of work towards implementation

Water as Leverage

Credits: [Water as Leverage – call for Action paper](#) (p. 15)

WaL welcomes new partnerships at 5 levels as we move into an exciting new phase of work

PROJECT PREPARATION SUPPORT

Work with WaL and our existing partners to progress the projects emerging from the Asia pilots towards implementation

FUNDING

Work with WaL and our existing partners to progress the projects that have emerged from the Asia pilots towards implementation

AFFILIATED PROGRAMMES

Leverage existing budgets and initiatives to scale up and replicate the WaL approach across portfolios, and promote supportive enabling environments and capacity development

BUDGET SUPPORT

Co-invest in new WaL initiatives, shaping the next phase of work and expanding its potential

IN-KIND CONTRIBUTIONS

Provide co-sponsorship to new WaL initiatives with in-kind contributions, participating in the co-creation process
